## TULPAR.KZ

We have made an application in our project. With the help of our application, we can find out the information of different cars or we can add our own car and provide complete information

A screenshot of a Windows application window. On the left is a dark sidebar menu with icons and labels: Main Page, Select Mark (with a dropdown arrow), Contact Us, and Information. The main area shows a dark-colored BMW sedan. At the top center is a small BMW logo and a search bar containing "3 series".
